SUBJ: STATE OF THE COAST GUARD ADDRESS

To the Women and Men of the United States Coast Guard,

Tomorrow, 21 March, the Commandant will deliver the State of the Coast Guard Address from Base Los Angeles-Long Beach at 1000 Pacific Daylight Time (PDT). This speech is an opportunity to hear about the investments we are making in our people and our Service to ensure a Ready, Relevant, and Responsive Coast Guard now and into the future. As your operations and scheduling permit, please consider using this time to come together as a crew, reflect on the accomplishments of our talented workforce, and discuss how we as a Service can accelerate into the future.

Viewers can watch the event live or at a later time through www.uscg.mil/AlwaysReady on Coast Guard workstations or @USCoastGuard on Facebook. If you have specific suggestions for positive change in our Service, please share them at CG Ideas@Work: <https://cg-ideasatwork.ideascalegov.com/> under the "From Strategy to Impact" challenge.

Semper Paratus,

Admiral Charles W. Ray
Vice Commandant
